NOTES: "Cruz" has the "wow" factor and chrome for days! If you love bald faces and blues eyes, here is your guy! "Cruz" is one cool ride that is a total eye catcher. This gelding is an all around gentleman and very easy to handle on the ground and on his back. "Cruz" has been shown and has won a little money in reining and ranch riding on a local level. He performs all the maneuvers and wants to please. He is a total sweetheart and loves attention. He will meet you in the pasture and is eager to do any task you throw at him. "Cruz" is always gentle, safe, and sane even with substantial time off. Saddle him and go! No silly business to him. He is as honest as a day is long. We have ridden "Cruz" all over our ranch and used him to gather cattle, doctor calves, sort pairs, check fence, and pony colts. He is a great packer for any level of rider. He will do exactly what you ask of him. He goes where you point him and has no resistance. He is confident alone and nothing bothers this fun gelding. "Cruz" is sired by one of our favorite sires, SPOOKS GOTTA GUN. His quiet mind, willing disposition, gentle nature, and bold look set him apart from the others.

NOTES: This is one flashy guy! "Tulsa" has the prettiest bay roan color with 4 white feet painted across a big thick body and a baby doll head! Stands 15 hands tall. This horse has spent his career as a ranch horse and working in the feed yards. He has a lot of action on a cow. We believe he would be a perfect competitive team or ranch sorting horse. "Tulsa" would also excel in a ranch riding or ranch versatility class. His training and class would set the bar! He has had some outside cattle roped on him. He does well under pressure and could also go on as a rope horse prospect if that was the field a person chose. He has a big fancy stop and electric spins both directions. He is solid in his leads and will comfortably perform a simple lead change. This horse is an athlete and is incredibly quick footed, He would fit best in a performance home under a knowledgeable horseman.

NOTES: "Brumby" is a 9 year old, 14.3 hand, really pretty gelding. We have owned him since he was a 2 year old. He is gentle and wants to please. We rode him for 3 years in the Colorado mountains on a wilderness permit checking cattle. He has led pack strings, putting out salt. "Brumby" crosses creeks, goes over dead timber and he can get up or down the side of a mountain and rough country. We have drug calves to the fire, roped cattle outside and pen roped on him. We have roped the heel-o-matic and have been heeling steers on him. This is a very good minded, kind horse that anyone can ride. He has no blemishes, is gentle, 100% sound and is easy to show, bathe and clip.
