

OFFICIAL TRANSPORTATION COMPANY FOR TRIANGLE SALES

Equine Express NA, Inc. has partnered with Triangle Sales to offer a safe and reliable way to get your new purchase home from the sale. After the new owner (if available) or Triangle Sales (acting as agent for the new owner) signs the transportation Bill of Lading contract (releasing Equine Express of responsibility, but under our liability), we will remove the horse from the sale grounds by the deadline given by Triangle Sales. The horse will come to our facility in Pilot Point, TX, as a layover until the horse can board one of our trucks to your destination. Triangle Sale horses will take priority, but we don't run every route every week, so some horses will have to layover with us longer. All new owners of the sale horses will be responsible for \$25/day board while with Equine Express. Board will include Purina feed, coastal and alfalfa hay, a clean private stall, and daily turnout (if requested). PLEASE NOTE: We service most of the United States, but there are some areas that are hard to service. Please call and talk to the dispatcher about your specific destination. Also, Equine Express works with Equiflight, LLC to fly horses internationally.

How to set up shipment for your horse with Equine Express NA, Inc!

1. Call Caleb Alexander, our sale representative, and ask for a quote from the Triangle Sale to the town and state where you want the horse delivered. Please have ready the age and gender of the horse(s) you are considering from the sale.
2. Go to www.equineexpress.com and click "Book Trip." This will be a form you fill out with your information as the customer, where the horse is located, where you want it delivered, horse info, and quoted amount. There is NO booking fee or deposit. We understand this will be a tentative booking, depending on if you purchase the horse or not, but it gives us an idea of how to best plan transportation for your horse. We will take credit card info for the entire transportation and board amount, once you know you have purchased a horse.
3. If you are not at the sale, but purchase a horse, please call Caleb directly, so we can get the transportation and sale paperwork taken care of for you!
