NOTES: "Cupcake" is a beautiful mare that has all the buttons. She really rides around and will get down on a cow. She has been used a lot outside and has made a trip to the wagon races ridden by a 9-year-old little girl. Super quiet, nothing bothers her and she is easy to rope off of. She can do whatever a person wants to do and will look really good doing it. Very broke, she will excel in any direction you want to take her. Will be shown in the ranch riding/trail riding preview.
