**NOTES:** We have gathered, sorted and doctored on "Cody." We've also started him in the arena heeling and he's really taken to it. He's super quiet on the ground with no buck and no bad habits. He's proven to be safe for young or old, inexperienced or experienced rider. He's got the size to rope both ends or go all day as a working ranch horse. Will be shown in the roping preview. In training with Bailey Coates.
