RACE RECORD: Earner of \$1,118. Unplaced at 2.

NOTES: "Gus" is a 16 hand, stout gelding with a pedigree full of speed. He is a lightly started head horse. He has arena roped, steer stopped, logged, slowly worked on hot heels and is trotting out of the box after steers. He has a good handle, light in the face, sidepasses and works gates. He is very handy on his feet for his size. He will turn a cow back on the fence with or without you. He is fairly sluggish/lazy to ride around and lope circles, but once you are tracking cattle, he frees up considerably. He loves cattle. Experienced rider needed. He is nice to be around, but tends to test the rider if given a chance. Show him who is boss and then go on with your day. Hauls, stands for farrier, bathes and clips well.
