**NOTES:** This is an own daughter of CHASIN FIREWATER (\$31k+ LTE) and out of DOCTOR MARTHA, a former rodeo mare that won the Denver Stock Show. This mare was started under saddle and in barrel training for a short while as a three year old. This mare packs a very strong barrel horse pedigree and could become a very valuable performance mare and breeding piece. **NOTES:** This is a quality stallion prospect that has a great start on him and yields some powerful outcross genetics. The hurricane postponed his initial start under saddle, so the plan was to run him as a 5 year old rather than a 4. After getting started under saddle by Justin Arnold, he spent some time with Kassie Mowry. This colt is a really pretty mover and could easily prosper in a barrel racing breeding program. He is still futurity eligible and could easily be proved in the right hands. He is one of the last own sons of BFA Derby Champion, CONFEDERATE LEADER and out of a direct daughter of NFR stallion and sire, DR NICK BAR.

**SIRE: CONFEDERATE LEADER** (1993). \$22,381 and an AQHA point-earner: BFA World Barrel Derby Champion; 5th Fort Worth Timed Event Challenge Barrel Racing.
