SALE HIP ORDER

Hip order for each sale session was sorted alphabetically by using the first letter of the second dam's name. The first letter for the sale order was determined then all others fell in place sequentially. Grade horses were numbered by substituting their names for the second dam's name. A draw for the first letter was made at Triangle Sales and the result was the letter "T". When multiple horses with the same dam/second dam were drawn back to back, owners may have requested they be moved forward or backward ten horses in the daily order.

Hip order for special productions/dispersals within a sale was determined by or on behalf of the owner. Shawnee Session and Barrel Classic Part 2 – all entries were customarily drawn then rotation of horses within each session were placed in sale order.

ALL PRIVATE SALES – ESPECIALLY THOSE COMMONLY REFERED TO AS “ALLEY SALES” ARE NOT PERMITTED

Every owner has submitted a signed document with Auctionware, LLC, agreeing not to presale a consigned horse to any buyer under any circumstance prior to the horse entering the auction arena. This agreement is irrevocable and AQHA/APHA shall be notified of such irrevocability, if necessary, for the purpose of “flagging” the horse’s file. Thus no horse may be sold privately before it is offered publically. If a horse is “repurchased” or “passed-out” in the auction arena, the private sale of that horse is encouraged provided all settlements are made directly to the sale cashier.

NO AUCTION ARENA GUESTS

Liability and strict auction policy allows no person(s) in the auction arena while a horse is selling except representative(s).

ANNOUNCEMENTS/OWNER PARTICIPATION

Owners are not allowed to personally use the auction PA system to comment as a horse is selling. Diligent attention and great expense has been made to secure extremely qualified announcers and auctioneers at the sale. If an owner has additional details to add in the sale of a horse, it may be done by submitting a written note for announcement or commenting clearly to the professionals on the auction block for announcement.

UPSET BID

Unless waived by announcement, there shall be a minimum “upset (starting) bid” of \$500.00 for any horse presented for sale. If the “upset (starting) bid” is not received, the horse shall be automatically repurchased by the owner as unsold and all expenses become due by owner to sale management, thus no horse will be sold for less than \$500.00.

OWNERS RIGHT TO BID

This auction is conducted “with reserve”, meaning the right to bid is reserved by the owner. To protect the desired sale price for the horse, owner, or its authorized agent must:

- a. be the final bidder on the horse and execute the Buyers Acknowledgement Of Purchase And Security Agreement OR
- b. COMPLETE AN OFFICIAL AUCTIONWARE LLC RESERVE BID FORM ON THE AUCTION BLOCK, WITH THE ASSISTANCE OF A SALE STAFF MEMBER, WITHIN 5 HORSES PRIOR TO THE SALE OF THE HORSE OR**
- c. complete an official AuctionWare LLC reserve bid form in the sale office, with the assistance of a sale staff member, within 1 hour prior to the sale of the horse OR
- d. make known to the Auctioneer for announcement that the horse has been repurchased or passed-out BEFORE LEAVING THE AUCTION ARENA

Under procedures “b” and “c” above, AuctionWare LLC reserves the right to bid on behalf of the owner, or its authorized agent, up to the amount of the reserve bid amount.

TRANSFERS

The transfer fee is the responsibility of the owner and will be deducted from your sale proceeds.

HALTERS

A complimentary shipping halter and lead will be provided for each horse sold. Buyers may pick up halters in the sale office after full account settlement has been made. DO NOT leave the auction arena with our leather show halter.
