If you can hold his reins, you'll be able to ride him. He has been shown in reining, ranch trail and ranch riding by a small youth child. He is great on trails and is confident alone or quiet in a group. He will go right where you send him and is good around busy traffic, loud noises and crazy dogs. Whether you show or pleasure ride, "Silverado" will fit any level of rider with that stellar disposition that you will love everyday. APHA NAME IS GUNNERSTOPJESSIE. Double registered AQHA/APHA.

NOTES: "Skittles" is the coolest and proof big things come in small packages! Measures just under 14 hands and is just as wide as he is tall. You'll have to see him to believe him! No matter what you want to do horseback, grab him and get after it. Don't tell him he's small, he has a heart the size of Texas. "Skittles" is safe, gentle, kid tested and approved. You can run a reining pattern blindfolded aboard him and he's simple and easy in all maneuvers. Has a roping chair lope on a draped rein, gorgeous fast spins, big stops and effortless lead changes. We have roped and used him all over the ranch. He's very cowy and fun to use for a day's work. Open and shut the gates, sort cows, doctor calves, cover many miles, he is a willing and ready partner. Outstanding on trails and great in all terrain with no hesitation to go right where you send him. You'll wear out ten pickups trying to find one like "Skittles!" World champion quality, talent and ability with a world champion disposition. He's a unique find!
