No matter what you want to do horseback, grab him and get after it. Don't tell him he's small, he has a heart the size of Texas. "Skittles" is safe, gentle, kid tested and approved. You can run a reining pattern blindfolded aboard him and he's simple and easy in all maneuvers. Has a roping chair lope on a draped rein, gorgeous fast spins, big stops and effortless lead changes. We have roped and used him all over the ranch. He's very cowy and fun to used for a day's work. Open and shut the gates, sort cows, doctor calves, cover many miles, he is a willing and ready partner. Outstanding on trails and great in all terrain with no hesitation to go right where you send him. You'll wear out ten pickups trying to find one like "Skittles!" World champion quality, talent and ability with a world champion disposition. He's a unique find!
