NOTES: If you love a big fancy gelding with all the class and style you can put on one, then stop and take notice. This is your horse. "Fever" stands 15.1 and weighs 1200 lbs. He looks like Picasso put all his pieces together. This horse is gorgeous and is also a well rounded and extremely broke ranch horse. He has performed all the basic ranch duties. He is great to rope on outside, he has a good look on a cow and is awesome to sort on in the pens. There are no tricks or gimmicks to "Fever". He has a big heart and an honest, kind nature. Time off is no problem. He stays the same no matter how often you ride him. "Fever" has a huge stop and pretty turnarounds. He is correct in everything from how he carries himself, his training, his looks, all the way to his never ending talent. "Fever" is a rare combination of looks, pedigree and brains. Any person, young or old, will appreciate him and get along well with him.
