NOTES: This pony is one of a kind! "Mini Mouse" is owned, trained and ridden by our kids, Kyler and Saylor (3 & 5 yrs old). They take "Mouse" with us everywhere we go. She is no stranger to checking cattle and spring brandings. She has a sweet walk/trot/lope, a very good little stop and the lightest mouth you could imagine making her perfect for not only the middle aged kids but also for the absolute beginners that need one that's easy to maneuver around. "Mouse" is one of those golden ponies that you can turn out anywhere for any amount of time and when you go back to catch her she will not only meet you at the gate but be the same pony she was the last time she was ridden. "Mouse" has been to parades, playdays, rodeos, even to ropings and to the feedyard. She has also been ridden in the Palo Duro Canyon. She crosses water and other obstacles with ease. Dogs, traffic, machinery and even fireworks are everyday life for "Mouse", nothing fazes her. "Mini Mouse" is happy to ride off alone and goes anywhere you ask her to, or she will slow up and let you pony her off another horse for the little hands. She's 43 inches tall. Don't miss this rare opportunity to own a pony with so much class and a heart of gold! Your kids will thank you for it later!
