**NOTES:** This is an all-around Welsh Pony gelding. "Tonto" is a 7 yr old Welsh Pony & Cob Society of America Inc registered gelding. He rides around one handed, nice stop and spins, breaks at the poll. He watches a cow nicely and tracks a cow even better. He's been used outside, drug calves on, headed/heelled on, started on breakaway (not out of a box, due to no fault of his own). But he is broke enough you could take him to town, back him in the box and he would get the job done. This guy is all heart, and he can fly if you ask him to. No buck, bite, or kick. Not much bothers him. You can pop a bullwhip on him, crawl all over him, standup on him, etc. He even pulls a wagon.
