

# RADIOGRAPH REPOSITORY

Triangle Sales encourages owners to keep radiographs in their possession for use as they see fit. It is also encouraged to secure from the examining veterinarian an evaluation by grading the overall condition of the horse as:

- a) Acceptable
- b) Manageable
- c) Guarded

A Veterinary Health Evaluation form is available on the website, [www.trianglehorsesales.net](http://www.trianglehorsesales.net), to assist with the examination. Owners should submit the veterinarian's findings to the sale office prior to the horse selling.

Additionally, an online radiograph repository (the "repository") is available for the use of the owners and buyers. Any radiographs voluntarily submitted to Asteris Keystone Community will be available for viewing online by a buyer's veterinarian prior to the horse selling.

Auctionware, LLC/Triangle Sales will not review radiographs prior to the sale of the horse; makes no representations or warranties of any kind concerning the authenticity, sufficiency, quality, completeness or accuracy of the radiographs (all of which are the responsibility of the owner); and is not responsible or liable for any error, claim or damage as a result of the buyer's use or reliance on the radiographs.

All images submitted to the repository are the property of the owner.

## OWNERS RADIOGRAPH REPOSITORY TERMS

Participating owners, bidders, buyers and veterinarians agree to the following terms:
